Cooler days are coming!!

November, the penultimate month of the year, is often characterized by its transitional nature as autumn gives way to winter in the Northern Hemisphere. The days grow shorter and colder, with leaves falling from trees, presenting a picturesque scene of reds, yellows, and browns. In many cultures, November is a time of reflection and gratitude. In the United States, Thanksgiving is celebrated on the fourth Thursday of the month, a holiday that brings families together to express gratitude and enjoy a feast of traditional foods. Meanwhile, in the UK, Guy Fawkes Night on November 5th commemorates the foiling of the Gunpowder Plot with fireworks and bonfires. As the month progresses, preparations for the festive season begin, with people starting to plan for Christmas and other end-of-year celebrations. Overall, November serves as a bridge between the vibrancy of autumn and the stillness of winter, offering moments of both contemplation and festivity.

Food Drive

Our center did a fantastic job last holiday season, we decided to do a food drive again for the holidays. The drive will run from **Nov.6-Dec.18.**

Please bring non-perishable food items such as canned goods, pasta, rice, flour, sugar, cereal and other shelf-stable products. Last year we donated over **900 pounds** of food to various food pantries in the community. Please remember homes have animals too, so dog and cat food are welcome. If members need assistance feel free to help yourself to the food items brought in for the drive.

*****We will be partnering with Partners in Hope for gift donations for families. *****
