Spring is on the way!

*We are all looking forward to warmer weather and plenty of sunshine soon!
We hope that you are enjoying the new programs here at the center and
that you are excited for all the fun ahead!*

St. Patrick's Day, celebrated annually on March 17th, honors the patron saint of Ireland, St. Patrick. Originally a religious feast day, it has evolved into a global celebration of Irish culture. St. Patrick, who lived during the fifth century, is credited with bringing Christianity to Ireland, and folklore tells of him using the shamrock to explain the Holy Trinity. Today, festivities include parades, wearing green attire, and enjoying traditional Irish music and food. The color green, shamrocks, and symbols of luck are commonly associated with the holiday, reflecting its deep cultural roots and joyous spirit.

Importantly, St. Patrick's Day also highlights the significance of relationships, bringing people together in celebration. Whether among family, friends, or the broader community, the holiday fosters a sense of unity and connection. It provides an opportunity for people to strengthen bonds, share in the joy of the festivities, and appreciate the cultural heritage that binds them.

OUR MISSION

We are dedicated to providing education, socialization, activities, wellness opportunities and self enrichment for members and other area senior citizens.
